Hi Christine,

Very sorry to provide this so late to you. Many conversations with Barbara Lee over this.

Here's the R9 info requested. Future reports will include the spreadsheet backup.

Thanks,

Kat

No worries I appreciate your help.....listen I trucked over to Silverton just to get 1900-55 so I know how difficult it can be to get what you need.

Hi Christine,

I'm sorry for the delay in my reply.

I was able to finally track down who from R9 is working on this response late yesterday.
I'll see if I can get you something in an hour.

Thanks,

Kat

Can I please get burn rates in any format you have for right now later will provide spreadsheet for you to update? Also, I know OSC Wise wanted me to let you know that we may need more money on the IAG.

Thank you

Subject: New FSC for Gold King R9

Hi All,

Kathy Meltzer will be taking over as FSC starting tomorrow, Friday 8/14 for the Gold King Mine R9 Response so that I can focus on the FEMA responses and R9 Area Command. Please direct all pertinent financial information and questions to Kathy. Elaine (Miao-ling) Huang will be working as the Cost Unit Leader.

Please let me know if you have any questions.

Thanks!
